## Magellan RoadMate GPS

**El Monte RV is proud to feature the new 7" screen Magellan GPS for RVs. This is the ideal travel companion for all RV vacationers.**

**The Magellan RoadMate GPS units are bookable in advance, or available at the counter on a first-come, first-served basis, and available at all locations.**

RV-specific features include:

- Vehicle Profile: Customizable RV routes based on your vehicle type, dimensions and additional driving preferences to avoid low and narrow bridges, unpaved roads, etc.
- Large 7" screen with stable mount for easy viewing.
- Good Sam RV Travel Guide & Campground Directory: Comprehensive private and public campground information including Wi-Fi, pets-welcome, and their exclusive Triple Rating System.
- Exclusive AAA TourBook Guide: The exclusive built-in AAA TourBook guide provides ratings and descriptions on AAA recommended places to play, event calendar, and more.
- RV Dump Station POIs: The exclusive SaniDump / RV Dump Station POIs provide a comprehensive directory that helps RVers find Fee or Free RV dump locations to empty their gray water and black holding tanks.
- Fuel Station POIs: Easily locate fuel stations while on the road.
- Geotag capabilities: Simply input Geotag (Latitude / Longitude) information and navigate to your desired location.
- The GPS also offers several safe navigation tools such as landmark guidance and speed limit warnings, a one-touch "favorites" menu.
